LA TIERRA DE LOS INCAS

Turismo Convencional > PIURA

Located in the north side of our country, it has a tropical climate. Vicus, one of the oldest cultures of the Peruvian coast, was developed in Piura. They made beautiful masterpieces in gold and pottery. In this department there are towns with ancient customs making in artisanal products made of cotton, Gold and Silver.

Piura and Tumbes have beautiful beaches with white sand, clean and transparent warm water, without mention the spectacular sun. Also, the beaches have high waves to practice water sports and fishing in the famous Cabo Blanco beach where the famous writer Ernest Hemingway lived and was inspired to write his famous book "The Old Man and The Sea".

The region of Piura has a varied and complex ecology that goes from the extreme dryness of the coastal desert to the humid forests of its mountains. Piura has on enormous tourist resources between which their cities with seats, as well as its deserts, ports, beaches, and great cultural works, historical places, important archaeological rest and strong beliefs magician-nuns, that they make a special place for the esoteric ones.
