Turismo Convencional > CHICLAYO

Chiclayo is the capital of the Department of Lambayeque and is located in the northern coast of Peru at 22 meters of altitude. It was founded in 1553 and with its warm and pleasurable weather is a center of great commercial activity.

Chiclayo is the cradle of the Lord of Sipan who was a dignitary and priest in the Valley of Lambayeque. The discovery of The Lord of Sipans' tomb became the most important one of the last times. It has been compared with that of the tomb of the Maya Prince Pajal, and in a lesser degree with the discovery of the tomb of the Pharaon TutanKamon.

The city of Chiclayo is closely related to Peruvian Folk Medicine practiced by Witches and Healers.
