LA TIERRA DE LOS INCAS

Turismo Convencional > HUANCAYO

Huancayo is the capital of the department of Junin and is located in the central part of the Peruvian Andes within the beautiful Mantaro Valley at 3,249 meters of altitude. It was founded in 1572, and it is an important commercial and farming city of the country.

Its climate is cold and dry with variations between the day and night, and rainy between November and April. Jauja is located 48 kms. north of Huancayo. It was the first Capital of Perú founded by Francisco Pizarro in 1534 before the creation of Lima. It is very famous because of its good climate.

In the zone, there are works of pottery, weaves, embroiderings and chipped pumpkins.
