PAT TK 105 A NEW ADVENTURE IN MARKAWASI (3 Days / 2 Nights)

Marcahuasi is a unique mountaintop, located 80KM north east of Lima. It is situated at 4.200 mts. above sea. There are hundreds of illusive shapes that can be seen in rock but, were they caused by natural erosion, or were they carved by the hand of man, as some think and for what reason?"

According to a Peruvian archeologist Daniel Ruzo, a previous humanity lived on earth before this one. They were very advanced, able to travel around the world. He has dedicated his life to the study of sacred sites around the world.

Marcahuasi is also a famous location for UFO sights and people who lived around say that UFO sights is a normal occurrence here.

Day 1: SAN PEDRO DE CASTA

Departure from Lima to San Pedro de Casta Town (3,600). Short visit around the town. We start the tour to Marcahuasi by walk and there will be some donkeys to carry the equipment. After 4 or 5 hours, we will get to our first point in the valley: The "Anfiteatro" and get ready to camp there.

Day 2: SAN PEDRO DE CASTA

The excursion starts on the south side, where you can observe tomb remains and pre-Columbian rooms. During the day we will get close to some cliffs to the east part of the place. Here you can appreciate some figures such as: man and animals figures. Then, we will go to a large tower. Finally, camping in an area called "The Fortress".

Day 3: BACK TO LIMA

Very early in the morning, we will go toward the north way, where we can see some "Chullpas", The scary Huayllallo God's Temple" and The Soctakuri's Temple. Next, a wonderful visit to The Incas' head (peca gasha in Quechua). An enormous rock with a human face. After that, we are going down the mountain to arrive to San Pedro. Finally, we come back to Lima.
